DISCOVER  
THE RANGE

### 3DX-PG30A

#### Green Beam 3D (Three-Dimensional) 3x 360° Multi-line Laser Level Kit

SKU: 3DXPG30AKT

- Ultra bright green laser beams
- Self-levelling operation
- 3x 360° lines (1x horizontal line & 2x vertical lines)
- Manual operation to project angled lines
- Rechargeable li-ion battery
- ±2mm at 10m accuracy
- 20m operating range (indoors)\*

### 3DX-PG30B

#### Green Beam 3D (Three-Dimensional) 3x 360° Multi-line Laser Level Kit

SKU: 3DXPG30BKT

- Ultra bright green laser beams
- Self-levelling operation
- 3x 360° lines (1x horizontal line & 2x vertical lines)
- Manual operation to project angled lines
- Rechargeable li-ion battery
- ±2mm at 10m accuracy
- 20m operating range (indoors)\*

### 3DX-PG40

#### Green Beam 3D (Three-Dimensional) 4x 360° Multi-line Laser Level Kit

SKU: 3DXPG40KT

- Ultra bright green laser beams
- Self-levelling operation
- 4x 360° lines (2x horizontal line & 2x vertical lines)
- Manual operation to project angled lines
- Rechargeable li-ion battery
- ±2mm at 10m accuracy
- 20m operating range (indoors)\*

### CLX-PG21

#### Green Beam Crossline Laser Level Kit

SKU: CLXPG21KT

- Ultra bright green laser beams
- Self-levelling operation
- Horizontal & vertical crossline
- Manual operation to project angled lines
- Rechargeable li-ion battery (in-built)
- ±2mm at 10m accuracy
- 20m operating range (indoors)\*

### CLX-PG22

#### Green Beam Crossline Laser Level Kit

SKU: CLXPG22KT

- Ultra bright green laser beams
- Self-levelling operation
- Horizontal & vertical crossline
- Manual operation to project angled lines
- Rechargeable li-ion battery
- ±2mm at 10m accuracy
- 20m operating range (indoors)\*

### RLX-MR20

#### Red Beam Rotary Laser Level Package

SKU: RLXMR20KT

- Bright red laser beams
- Electronic self-levelling
- Horizontal operation
- Rechargeable li-ion battery
- ±2mm at 30m accuracy
- 400m operating range (diameter)
