A New Year, A New Challenge.

Welcome to the January edition of our newsletter. 2009 is here and our approach is to be forward-looking, positive and realistic about the year with our customers.

We recognize that we are all going to have to work hard in the current climate to make savings to help you to keep the core business strong and build new custom. We want to work with you to make sure that you are still getting the right quality and best value for money for your products and consumables. We can organize site visits and stock reviews to make sure that we know exactly what you need. You might also be able to find some useful bargains in our New Year clearance sale or on our promotional flyers. Some examples are on the back of this newsletter. Talk to us or pop into the showroom to find out more.

We look forward to working with you and wish you a happy and prosperous New Year.

Simon & Monica
